

VACANCY TEXT FORMAT

COMPANY NAME	LBS Conveyor Belts BV
TITLE VACANCY + POSITION	<i>Trainee Market Research - Sales</i>

Give a short description of your company	LBS Conveyor Belts is a growing international company in Emmen specialising in rubber and plastic conveyor belts. The company currently employs almost 100 people.
--	--

Provide a description of the vacancy and what skills are required <i>or</i> , in the case of an internship and graduation project, what the end product should be.	<p>Everyone's opinion counts in this company, including yours! A cup of coffee and a chat with your colleagues is something you start the day with.</p> <p>During your internship day, there are of course breaks planned which we eat and relax together. We will do this by a game of table football or darts, among other things.</p> <p>As a trainee at LBS you will be part of a pleasant but professional team in Emmen, you will carry out market research and look at sales opportunities in countries such as Belgium and France. You will be responsible for the design and execution of the market research, and you will be able to make a clear analysis. Your research serves as valuable input for our company.</p>
