- Thinking along with the company for further development.

Hard work requires hard relaxation, at these internship companies they know what hard work is, but they also like hard relaxation. You are the student who fits in. You will receive good supervision during your internship. In addition, the internship company is open to your input and internship activities can be discussed. Students are also given the opportunity to work on their school assignments. If the student has to write a thesis or conduct research, this can be done in consultation.

**Function requirements:**

For this vacancy we are looking for a student who is commercially oriented, has an enthusiastic attitude, takes a responsible attitude and works proactively. In addition, it is important that you are service and sales oriented or that you want to develop yourself in this area. Knowledge of social media management and Quickbooks is an advantage, but not obligatory.

- **Education:** MBO or HBO level, Commercial economics, International business, Real estate and brokerage or similar studies.
- **Period:** minimum 3 months
- **Traineeship allowance:** to be determined
